A Donation to the Shriners Hospitals
for Crippled Children

*Merry Christmas to the
Crippled and Burned Children
in Shriners Hospitals*

The people whose names are listed around the Christmas Candle on the cover page made donations to the Shriners Hospitals for Crippled Children in lieu of buying and sending Christmas Cards to their many Shrine friends who they often see.

The project was continued this year, as in previous years by Noble Joe Crammer of the Oriental Band.

UNIT HEAD BREAKFASTS

The November Unit Head Breakfast concluded the 1982 events of this project. The untiring work and interest of the Unit Heads, the many members of Units and their splendid Ladies who volunteered together with the tremendous support of the Nobility dining with us, deserve a resounding thank you.

You may be proud to realize that, aside from the financial benefits derived, the pleasant fellowship of working closely together and the sociable air of fraternity enjoyed by those gathered in the dining room has contributed immensely to strengthening the ties among the Nobles and Ladies of our Temple.

Again our Units demonstrate their priceless value for which we extend our hearty congratulations.

Chaplain's Corner

by Rev. Charles Stein, Jr., Chaplain

In the October issue of *Reader's digest* is the story of the incredible courage and determination of a 16-year old boy named Mac Scott. In a horrible accident with a mechanical corn-picker, Mac suffered the loss of a hand and a foot as well as the mutilation of both legs and an arm. In the face of almost certain death, this boy refused to give up. His story can well serve as an inspiration to all those who are overwhelmed by major adversities.

What prompts me to write about this story is the role that the Shriners

Hospital played in it. It seems that Mac's care caught the attention of Alcazar Temple in Montgomery, Ala., and that they arranged to have the boy taken to the Shriner's Orthopedic Hospital. After several months of skin grafts and therapy he was transferred to the South Carolina Hospital, fitted with his new artificial limbs, and taught how to use them.

Today this young man is leading an essentially normal life, thanks to his courage and the magnificent medical attention he received.

No Shriner who reads this story, can fail to take pride in the wonderful work of our hospitals. What a blessing that we are privileged to help in this great work.

May the Lord bless you.

A HEARTY WELCOME

NEWLY-CREATED NOBLES.

Dear Noble:

To the Nobility of Kena Temple:
I can think of no better way by which to begin my final message as your Potentate than to say to you, the Nobility of Kena Temple--THANK YOU for a job well done.

You wonder, when the year begins, how everything you plan can be accomplished. It reminds me of the story of the pendulum waiting to be fixed. It began to calculate how long it would be expected to tick, day and night, every hour, twenty four hours every day and three hundred and sixty-five days a year. It staggered the mind--millions of ticks.

"I can never do it" said the poor pendulum. But the clockmaster encouraged it. "Do just one tick at a time", he said. "That is all that will be required of you." So the pendulum went to work one tick at a time, and it is ticking yet.

Likewise, as Potentate, you must take one day at a time, one task at a time. It has been a great year for me, and I am deeply grateful

*****Past Imperial Potentate

to the Divan, Staff, Unit Heads, and Nobles all, who supported me this year.

It is impossible for one person to please everyone. That we do not even expect. As a wise man once said, "Blessed is he who expects nothing, for he shall not be disappointed." I am pleased with what I have done this year, because I keep in mind what the greatest philanthropy in the world is all about--helping crippled and burned children.

It has been a distinct honor to have been given the privilege of serving as your Potentate during 1982. I earnestly tried to do the job to the best of my God given abilities and to serve our great Kena Temple and our world renowned philanthropy to my upmost. Perhaps my philosophy can best be stated by the words on a card in my study...

People are unreasonable, illogical and self-centered.-Love them anyway.

If you do good, some will accuse you of selfish motives.-Do good anyway. If you succeed, you win false friends and true enemies.-Succeed anyway. The good you do today may be forgotten tomorrow.-Do good anyway. Honesty and frankness make you vulnerable.-Be honest anyway.

What takes years to build may be destroyed overnight.-build well anyway.

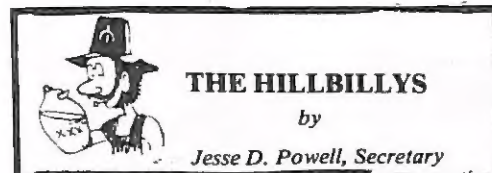

I know that in future years Mary Jane and I will look back and remember the many fine friends and the unforgettable good times we had during my tenure in office. Shriners are truly the finest people on Earth.

My best to each and every one of the Kena Temple family. Your dedication and cooperation made this year a success. I'm soon passing the baton of leadership on to the incoming officers, they can only be successful with your enthusiastic cooperation. Give them your best!

Yours in the Faith

Well, this Secretary misses more than he hits on the KENAGRAM news. I am always a day late and a dollar short.

Since our last article, we have been happy to welcome a number of new members: Don and Pam Moore, Bruce and Peg Palmer, Lew and Diane Wilson, Mike and Debbie Berryhill, Mike and Gerrie Seely, and Mickey and Sue Ander. We are real pleased to have you in our Unit, and we hope you will enjoy being with us.

Also since our last article, we have received a couple of Parade trophies, they look real good in our room, and we hope to add to them. We had a good turnout for the Vienna Parade, after which we enjoyed the fine hospitality of Bob and Lil Shifflett at their home. Thanks Bob and Lil. Five of us attended the Halloween Parade at London Towne, Centerville, on the 31st. The HILLBILLYS and the KENA 500 added much to their parade, which the Towne appreciated. Those Nobles in the 500 put on quite a show which we enjoyed also, since they were right in front of us.

Unfortunately, we did not have a parade group at S.A.S.A., but our Director Buck Kemp was there, and we did receive an official rating, so we will be rated next year.

Six of our Unit attended the Hillbilly National Convention in Cincinnati, Ohio, on October 22-25, and from what we hear, those of us who did not go missed a real blast. They are already making plans to go again next Oct., and I expect we have not heard the last of it yet. Honor the cob.

From the comments about "Strut Your Stuff" night, the Oriental Band had better watch out or they may be second in the sweetest music this side of Heaven.

Our Unit has now grown to 29 members and you can bet you will be able to tell we are around. The growing pains have been tough, but we are getting there. Thanks to buck Kemp, Lew Wilson, Joe Wiglarz, Dick Isaacs, Bob Shifflett and others our Trucks are now about "A" one (?) shape for our parades, and if Ben McBride keeps up we will have lots of Parade pictures.

Keep the Faith and honor the Cob.

There always seems to be altogether too little time to do the many, many things waiting to be done. The desire to accomplish them is there but the human ability often falls short.

With the ever welcome assistance of several from Almas we appeared at Columbia Lodge in Arlington for their Past Masters meeting. Glad to see our past Potentate Illustrious Fred Bridgeman there. This is his Mother Lodge and he is a Past Master.

Kemper Lodge, in Falls Church, is the Mother Lodge of our Illustrious Potentate Russell Werle. They held a Shriner and Family night asking him to have Kena Temple furnish a program. Being a past drummer with the Oriental band providing the sweetest music this side of West Virginia it was appropriate that they appear and render their usual sweet sounds. Preceding their offerings the Chanters were called on and what a time we had...The Chanter charged with bringing the music forgot it!!! Had to go back for same...(We forgive you George) Finally our Director, in picking up his fair Lady, was waylaid in evening traffic but finally made it-tho late... 'Twas good in a way for I got to tell a few of my down east New England stories which appeared to be laughably received.

Our Illustrious Potentate has given we Chanters the honor of arranging for, and participating in, a Memorial Service for those Nobles taken by the Black Camel during 1982.

Next came our always important Fall Ceremonial. We hope the group of Novices who joined us will contribute to the many worthwhile and enjoyable activities of Kena Temple.

Many interesting things took place recently; the Oktoberfest, the start of the Cruise, The Safari to Luray Cavern and the Feast of Tishri at the Scottish Rite. Dr. Kruger 33° staged his usual marvelous rendition of the Feast of Teshri including potted flowers for the Masonic Widows, bountiful fruit for everyone with plenty destined for Nursing Homes and the like.

In closing we wish you a Merry Christmas and Happy Holiday Season.

The Arab Patrol extends fraternal greetings to all of the new Nobles joining Kena Temple in the Fall Class. We hope that you will enjoy meeting us as much as we look ahead to shaking your hand. There are many units in Kena Temple. Each feels the same cordiality toward you. Visit as many of them as you will and then be sure to join one of them because it is always great to enjoy good fellowship among the Brethren but sad to be a mere bystander with no buddies.

In the packet the Recorder gave you is an Arab Patrol pamphlet. It tells all about us. Please keep it for ready reference. It tells of the many reasons we want you to share the Arab Patrol activities with us. We give our full support to the shrinedom primary program for helping crippled children. The Patrol pitches in on the Kena Temple activities doing its share to make them successful: the social events, the community parades, and the regional drill competitions. The Patrol business meeting is held each month on the 2nd Wednesday at 7:30 P.M. in the Patrol Room on the top floor of the Kena Mosque. In the winter we drill in the Mosque on the 4th Wednesday at the same time. There is no drill in December because of the Christmas holidays. Give the membership committee, John Chesebro, 256-2280, a call for further details regarding carpools or how to get to the meetings on your own. But above all, believe that we all welcome you to the Patrol, for it is true.

As for the Arab Patrolmen now on duty, remember the Patrol business meeting on Dec. 8, the Christmas Party on Dec. 17, and the Manassas parade Dec. 4. Be sure to see our Secretary Milt at the meeting and give him your dues. Remember to pay your Temple dues also. Thanks, Ladies We Love, for the great dinner goodies at the Nov. meeting.

Wedding anniversary congratulations to Ken and Irene Wicker - 60 years on Oct. 6; Danny and Lee Cline - 3 years on Dec. 8, Jack and Doris Daniel - 51 years on Dec. 12.

It's time to turn old records in to the Historian.

LEESBURG SHRINE CLUB — A tribute to! The Leesburg Shrine Club sponsored our October 7th tournament at Leesburg Golf course, and a well-attended and enjoyable outing it was. We appreciate the assistance of president Fred A. Meyer in serving as our host during our social hour and dinner, and for the presentation of the Leesburg Shrine Club Trophy to the day's low net winner - Will Grover.

Fifty three golfers attended, of which fifty remained for our evening events. The weather permitted a full day's activity, and the course was conducive to full participation of all concerned. Our hosts provided the facilities for a lengthy social hour and a very pleasant dinner menu, which was welcome after a long day. Our thanks are extended to host Professional Bill

Perle and the staff of the Inn, and to President Fred and members of the Leesburg Shrine Club for their efforts on our behalf - we invite them to participate in any of our future events - at their pleasure.

In addition to the low net winner, the following awards were made: nearest to the pin winners were, Bob Chandler (Almas), guest Bill Howard and Ted Minnich, Ray Morris and Frank Taylor. Marvin Munday was second low gross.

On October 19th, a large contingent of our members were present for the Almas Temple Golf Club tournament at Argyle Country Club, Md. The golf course was excellent, as usual, and the shot-gun start provided all players with an expeditious start of play. We wish to thank Chet Mills for the hospitality which his Almas members provided for us, on a fruitful day. The dinner was delicious and everyone was well served.

On Thursday, October 21st, Will Grover and Past Presidents Lawlor, Minnich, Weathers and Wefel journeyed to Lake Wright Golf Course in Nor-

folk, Va. for the four Shrine Temples tournament. Due to the shortage of members present from each Temple, no trophy winner was considered for award. The weather was cold, windy and damp; however, the fellowship during and after the play, the social hour and dinner was remarkable and noteworthy, making the effort of distance traveled worthwhile.

In a meeting between representatives of the four golf clubs, it was established that all spring tournaments would be scheduled for the Richmond area, Kazim Temple would sponsor the Fall 1983 tournament, and Kena Temple would be the sponsor for the Fall 1984 event.

On October 22nd, our Ladies Nite dinner and dance was held at Army Navy Country Club. A very enjoyable evening was shared by all of the fifty members and ladies present. We wish to thank Illustrious Potentate Russell J. Werle and Lady Mary Jane for their participation in the final event of our year's activities. Further details of the event will be covered in a succeeding issue.

By BILL WALL

Congratulations to all members of the Corps. We had 13 members turn out for our Vienna parade. I think our Illustrious Potentate was about to faint when he saw such a magnificent turn out. Now lets do that for all of the parades to finish off 1982 in a grand style.

Friday night, Oct. 29th we had another Great assembly of the Corps to celebrate Mable and Lester Knapp's 50th wedding anniversary. A covered dish was brought by all the members, cooked by their wives, of course and every mouthful was mouth watering.

They were presented a MAD BALL designed and manufactured by our Directors lovely wife, Arlyle Cyrtmus. When you get upset with one another you want to throw something at the other. You throw the specially designed MAD BALL and pretty soon you're laughing and the fight is over with. Also through contributions of the members they were presented 50 silver dollars in honor of their 50 years together.

The Fall Ceremonial is coming up so I hope we can have a very large class to make a happy time for Our Illustrious Potentate Russ Werle and his beautiful Lady Mary Jane.

Plans are now being made for the Corps Christmas party. Please be thinking of it and get your reservations in early.

Let's keep marching for the benefit of crippled children through out America.

John F. McClelland

The Unit meeting on November was well attended. Remember, this is YOUR UNIT and we need the support of ALL THE MEMBERS! Let us work hard to make it the best Unit in Kena.

Twelve members of the Unit took part in the Vienna Parade. Those who attended were guests of Lady Vera Payne for delicious refreshments. Many thanks Vera. We were happy that Past Marshals Gil Martz and Jerry Schrader have recovered and were able to attend the parade.

Noble Joe Chesser's Lady Dorothy is home recuperating. We all hope she soon will be able to report a complete recovery.

The Country Store Event. was well attended and the report was circulated that it was a success. Thanks too all of you in the Unit that helped.

The Manassas Parade will be on December 4th. This is their annual Christmas Parade and is usually attended by a large enthusiastic crowd. Let's have a good attendance and assist in putting on a good show.

The Unit Christmas Party will be held at the Temple and we will need lots of help from our members.

We had a good turnout for the Ceremonial on November 13th, the Unit Meeting and the Manassas Parade. I am sure we don't have to urge you to attend the Christmas Party.

How to Sponsor a Child

It's rewarding and easier than you think!

Some of the questions asked most often by Nobles are: How do I sponsor a crippled child? What's my financial obligation to the child? What about the application?

Because Nobles are unsure of the correct answers, they sometimes decide not to sponsor a child. This is sad, for sponsoring a child is rather simple and quite rewarding. Here's all you do.

1. Obtain an application from your Temple or a Shriners Hospital.
2. Make sure the application is filled out COMPLETELY (parents' signatures and witnesses are essential). Sign your name and address and get the Physician's Certificate signed and completed. If the Physician's Certificate is not complete, the application must be returned.
3. Obtain a birth certificate or affidavit as to the child's age.
4. Submit custody papers (or copy of divorce decree) if parents are divorced, adoption papers if the child is adopted. All legal forms should be returned to the guardians.
5. Obtain three pictures (front, side and back full-length views) of the child with sufficient clothing removed to show deformity.
6. Forward the above material to the nearest Shriners Hospital for Crippled Children.

After appropriate review by the Chief of Staff and the Hospital Board of Governors, the family will be notified as to whether the child can be accepted or rejected. If the child's application is accepted, the parents will be notified as to the date for an initial examination.

Every child who is admitted to a Shriners Hospital MUST have a Shrine sponsor. Any Shriner can submit the application of a child. There is absolutely NO FINANCIAL OBLIGATION on the part of the sponsor at any time.

Through your neighbors, your church, your doctor and your co-workers, you can find those little children who need your help. By letting people know you are a Shriner and that the Shrine operates 21 hospitals for crippled and burned children, word will get around to the families in need.

Remember that a child's family need not be destitute. The financial requirement for admission is that if treatment at another facility would place a financial burden on the family, then the child may be admitted (assuming age and medical requirements have been met). Children must be under the age of 18 and there must exist a reasonable possibility that treatment can benefit the patient.

All expenses for care and treatment are assumed by Shriners Hospitals for Crippled Children, not by the individual sponsor. Treatment costs are paid for by: 1) each Shriner's annual \$5.00 hospital assessment, 2) various Temple fund-raising activities, and 3) the Shriners Hospitals for Crippled Children Endowment Fund.

To date, over 249,000 children have been cured or substantially helped in the Shrine's 18 orthopedic hospitals and three burns institutes. It's up to you to reach out and find those crippled children who need our help in order to live normal, happy lives. When you see them smile as they walk on their own toward you, you'll know it was worth your effort.

Our sincere thanks and congratulations to the members of the Telephone Committee for their efforts. At the October breakfast the committee reported 79 Nobles would attend. Seventy-eight were present, and one Noble had called at the last moment to let us know he could not make it. How's that for accuracy!

With President Mutersbaugh presiding he introduced Vice President Pace and the Past Presidents: Wells, Heerlein, Marseglia, and Plaughter.

Also present were the following members of the Divan: Illustrious Werle, Assistant Rabban Berry, High Priest and Prophet Vandiver, Treasurer Black (P.P.), and Recorder Graham. Three other past Potentates were also on hand: Harold Elsberg, Doc Rutkoski, and Orville Megbe (of Almas Temple).

Noble William Kendall led the Nobles in a pledge to the flag and Noble Marseglia gave the invocation.

As usual, the Stewards had a very good breakfast for the Nobles to enjoy. Again we thank the Stewards and their ladies for another job well done!

A number of announcements were made about Kena activities with special emphasis on apples for sale as well as grapefruit and oranges. And of course the Kena 500 will again be selling Xmas trees. Your support of these various fund raising activities will be appreciated.

Our guest speaker of the day was Sydney J. Fowler, who is presently with the Canadian Embassy in Washington, D.C. During his talk he referred to the many oddities in his career and he discussed the trade relations between the United States and Canada over the years. Our President has made every effort this year to give us speakers on a variety of interesting subjects.

Remember, Nobles, Wednesday, December 8 will be our last meeting of this year. It will be a breakfast for Nobles only, at 10:30 a.m. and, it is the election of Officers, so we are looking forward to another record turnout!

Since the next Kena article will appear after the first of the year, may we, the Officers and Past Presidents of the Kena Retirees Club wish each and every Noble a most Happy Holiday Season!

LEGION OF HONOR

Faran McClimans

October and November were loaded with many activities that were well attended by Legion Nobles and Ladies. Bert MacLean did a masterful job of organizing the Temples "Strut your Stuff" night.

The Columbus Day Parade in Sterling Park was well attended. Legionnobles Bob Garrett, Lady Alice, Paul Marsell and Lady Nellie were gracious hosts to all Legion participants with food and refreshments after the parade. Our October meeting netted five new Legionnobles - Richard Brainard, Robert LeLacheur, Daniel Malinowski, Herbert Wright, and Clifford Blasius. Many Legionnobles and Ladies worked at the Country Store October 16th, and then topped off the evening by attending the Ladies of the Nile chili snack and Dance.

The Halloween evening parade on October 27 was well attended and the "on-lookers" were generous with there applause. The OCTOBERFEST on 30 October was just great, some 500 people enjoyed the lovely German menu, beer, georgeous pumpkins were the center of the Fall decorations and the Edelweiss Band kept the dance floor full all night. Many Nobles and there Ladies joined in to make this affair a success, thanks to you all. Not to slight anyone so we will only name our Chairman Jim Smith and Lady Wilodene and their well organized committee. Bob Garrett and Bob Bagley, thank you for the great breakfast prepared for the Legion, Ladies and Guests at the SASA Convention. Sorry for oversight in the November Kenagram in recognizing and thanking all the nice Nobles and Ladies who helped in preparing food and serving in our Hospitality room at SASA. Once we begin naming people you invariably are going to overlook someone. So let me say all who helped-Thanks for your efforts and the time you devoted to making the Legion Hospitality Room a happy place for us all to meet and socialize.

On November 7th, 8 members of the Legion Color Guard supported by many others participated in the annual wreath laying ceremony at the Tomb of the Unknown Soldiers in Arlington Cemetery. Some five Temple

Legions participated by also providing Color Guards.

November 13th was Kena's Fall Ceremonial, there were many Legionnobles parading and also providing an Honor Guard for the several dignitaries in attendance. That evening numerous of our Legionnobles and Ladies attended the Fall Ceremonial Dance.

The POTE'S ROAST organized by Jack Webb of the Oriental Band was a real fun "Stag Night". The Gold Jackets of the Legion could be seen everywhere. If you have one and are not participating, please turn it in to Jim Tate or our Commander Norman Sparks. Lets have full use of our Gold Jackets.

Sick List - Legionnoble and Finance Officer "Bob" Seroke has been experiencing painful back difficulties. Lady Dottie Warren has been moved to the Carriage Hill Nursing Home. Your prayers and cards will be appreciated. Dr. Kendall reports his Lady Mary needs your calls and cards to keep up her spirits.

Remember our Coming Events:
4 Dec. Manassas Christmas Parade (Refreshments and Nibbles at Lt. Commanders Bob Millers home after parade.)

12 Dec. Temple Meeting (Color Guard volunteers call Jack Stenger.)

19 Dec. Legion Christmas Party

20 Dec. Legion Meeting-Election of Officers.

31 Dec. Kena Temple New Years Eve Dance, Mosque Ballroom.

A Very Merry Christmas and Happy Holiday Season from Commander Norman and Lady Elsie Sparks.

Something new - something old - no it's not June, it's really the last days of a colorful Fall - but it is time again to seek some new bodies, active ones, to fill out our ranks. You know we are among the most ornate and entertaining on the street, and in "concert", and we offer horns and harmony, brotherhood with a beat, and tom-toms and tomfoolery. We do have fun and you don't have to read music. The Children's Hospital gives us the same "pay" as any other Unit. Join us - or join any other Unit and you'll "retire" with satisfaction.

Something old - at our forthcoming Christmas Party (12-15) we are honoring our Old Timers and wives and the latchstring is out for all to attend. We will feature an ever popular covered dish menu. Call Joe Crammer at 256-5267 for details. Come on out - it will be great to have a reunion of sorts.

The Octoberfest put on by the Legion of Honor, and ably assisted by the Stewards, was a winner - good food, fun and frolic. SEHR GUT. Our properly costumed couple, Lois and Paul Higgins, should have won a prize.

Hope the Potentate's Roast didn't cook our goose and all had a good time - well, mostly all? One sure has to have a good sense of humor to be a complete Shriner.

The "Country Store" should have made a few bucks but more business would have been appreciated. Our table "Odds and Ends" was ably managed by Mary and John Downs and Betty and Clarence Kunstmann.

The Halloween Parade in Vienna went well - great crowd, great weather and our "dirty dozen" plus Smitty held up our end.

Ray Oksa is doing well after another recent round of surgery. We hope Chuck Sherry is doing well also - and may Al Hunsberger continue to exude inspiration. Have you noticed that Paul Leach, once a Kena OB stalwart, is an ASOB Ambassador-at-Large? Where's Araba? Should there be a designation as Mr. and Mrs. OB, the Higgins' would merit it. Paul often is our sole tom-tom man and Lois seldom misses a parade. She also edits out music.

Yes, the pecans should have fallen and have been distributed by now -

Noble Charles Edward Wallace
1913 - 1982

Noble Charles Edward Wallace, Grand Master of Masons in Virginia in 1980 and a member of Kena Temple's Oriental Band died suddenly on November 4. While driving to a Masonic function in Fredericksburg he became ill and was taken to Potomac Hospital in Woodbridge where he succumbed to a heart attack.

Noble Wallace was a member and Past Master of Henry Knox Field Lodge No. 349 (Alexandria); member of Springfield Lodge No. 217 and Charter Master of Mt. Vernon Lodge No. 219. He was also a member of Skidmore Daylight Lodge No. 237 and many other Masonic-related organizations. He was District Deputy Grand Master of the First Masonic District in 1957 and was installed Grand Master of Masons in Virginia on February 12, 1980. He resided on Adrienne Drive, Mt. Vernon.

Noble Wallace is survived by his Lady Helen, two sons, one daughter and two grandchildren.

Masonic Services were held for him at Everly-Wheatley Funeral Home, Alexandria on Sunday, November 7. The officers of the Grand Lodge of Virginia conducted the service, preceded by a eulogy given by the present Grand Master, Lloyd U. Jefferson, Past Illustrious Potentate of Acca Temple, Richmond.

• • • • •
hope you got yours?

Around the end of the year we join in wishing all, "Seasons Greetings". The New Year's Eve party terminates one year and the "Oyster Roast" helps send off the new. The big day to remember is the election of Kena Temple officers. It's your chance to help direct the course of Your Temple. Come out Jan. 10.

The OB will be zeroing in on the Jamboree competition number now and all hands are requested to show up for practice.

One more thing-personal observation -having had a racoon loose in the house recently, I must agree "a man's house is his hassle"!

Passed within the unseen portals

ALLAH RAHAMAHUM
(God Rested Them In Peace)

To the promised land our friends have gone,
To the land of perfect rest;
Their work is done — and the setting sun
Has sealed their life's request.
They have left this earthly strand,
For the house beyond the sea,
Though the past is gone, they will still live on
To us all — Sweet in our memory.

Winchester Shrine Club News

by JIM DAVIS

The October meeting of the Winchester Shrine Club was held on the 21st at Holiday Inn East. There was a good attendance. Noble Jack Callahan gave the invocation. It was followed by the pledge of allegiance to the flag.

The Past Presidents of the Winchester Club were asked by Noble President Clay Carr to introduce themselves and be recognized. The same request was made to the Past Presidents of The Blue Ridge Club. Noble Chester Heath who is in his 90's was introduced. Others introduced were John Henry Williams and Noble Donald Trenary.

Noble Robert Feagan reported on shut-ins and hospitalized Brothers. Noble Robert Casey is under treatment at the Georgetown Hospital. Noble Glen Faxon gave a prayer which included Noble Casey and Mrs. Harry Whitesell.

Noble Secretary Elliot Button reported that Anthony Almeny will be transferred from the Crippled Childrens Hospital in Greenville, S.C. to the Philadelphia Hospital for treatment because his parents are now living in Winchester. His mother is working at Howard Johnsons. Anthony has an appointment at the Crippled Children's Hospital in Philadelphia for 11a.m. on November 3rd.

Noble Kenneth Lamp reported on an application for membership from Noble Donald Trenary. It was approved.

Noble Jack Callahan, Oriental Guide of Kena Temple distributed certificates to those raised to nobility at the ceremonial on August 7th. He made the comment that the members should invite more people to the meetings whether they are Masons or not.

Noble President Carr appointed a nominating committee of Nobles: James Davis, Kenneth Lamp and Donald Halliday.

Noble Button also reported that he had taken Dwayne Sturgill and his mother to Philadelphia Hospital. Dwayne does not have to return for a full year.

The speaker of the evening was Mrs. Lorraine Hottel. She is Director of Volunteers and a member of the Steering Committee for the Lord Fairfax Area Food Bank. She described the Food Bank as a war on waste.

The Fall foliage is beautiful and our "Indian Summer" could not be better. We hope everyone is enjoying the season to the fullest.

Your scribe and Lady Louise have just returned from a trip to Europe for the purpose of visiting with relatives and friends. The weather did not cooperate very well but the trip was wonderful anyway. Needless to say we are happy to be back home again.

Our "Pot Luck" Unit meeting on October 14th proved to be a huge success. We were entertained by the "TRY HARDS" band. A collection of seventy-five dollars (\$75.00) was donated by those present to be sent to the Crippled Childrens Shrine Hospital. Noble Bill Plaughter gets credit for arranging for the wonderful entertainment.

A nice turnout of Greeters and their Ladies were present for the Unit Heads breakfast on October 17th. These are wonderful affairs. If you have not sampled the good food and experienced the superb table service you must attend the next breakfast on November 21st.

On October 2nd the Unit participated in a Kena Temple program entitled "Strut Your Stuff". We procured the services of the very popular "Irish Dance Class" as our contribution to the overall program. The Unit was congratulated by the Illustrious Potentate for our effort.

A Crippled Child's Smile — Makes It All Worthwhile!

The program started in Phoenix, Arizona about 15 years ago. The food is sent to Winchester from Staunton and stored in the Virginia Apple Storage building. It opened in Winchester on August 1, 1982. There is a great need for volunteers.

Noble President Carr concluded the meeting with the statement that when we received our freedom it was considered better for 4 guilty people to go free than for one not guilty to be punished.

For those of you who may not be aware, our unit won a trophy for third place in the SASA Shrine parade at Myrtle Beach, South Carolina in September. Our first trophy as far as can be determined.

The Kena Temple Retirees Club breakfast meeting on October 27th was well attended by members of the Greeters Unit as usual. The President, Noble Mutersbaugh, arranged for a truly effective speaker.

The Kena Temple "Octoberfest" program on October 30th was attended by a good representative number of Greeters and their Ladies. This was an outstanding affair. You missed another fine evening of fine German food and music if you were not present. Hats off to the "Legion of Honor" for a job well done.

Greeters take special note of the fact that our Unit is going to procure and sell "Pecan Roll" candy for the holidays. The project will require maximum effort by each of us to make it a success. So, PLEASE support your director to the fullest.

Our Christmas dinner party will be held jointly with the Stewards Unit this year. The date is December 11th. Mark your calendars and make positive plans to attend. The Unit newsletter will contain more details for your information.

We Greeters are proud that one of our own members, Noble Bill Plaughter, is being honored by having the Fall Ceremonial named for him. This is being done to recognize him for his service as Recorder of Kena Temple. He and Lady Isabel have been faithful members and supporters of the Unit for a number of years.

We are sorry to learn that Lady Vivien Ackerknecht was recently hospitalized for surgery. We wish you a speedy recovery. Lady Margaret Jensen is recovering from a cataract operation. Good luck to you. We look forward to having both of you good Ladies back with us very soon. Past Director, Noble Ed Armstrong is not feeling well and is currently undergoing a series of tests at the hospital on an out-patient basis. Hurry and get well. We miss your smiling face.

The Unit is saddened over the loss of Past Director, Noble Perry W. Shepherd. Noble Perry passed away at his home in Winter Park, Florida on October 19th after a long period of poor health. Our deepest sympathy to Lady Jo and the family.

By BOB BATEMAN

The Kena Klowns join the other units of Kena Temple and welcomes all new nobles into the Shrine. To you, and any other noble who do not belong to a unit, the Klowns invite you to give serious consideration to becoming a Klown.

Learning to be a Klown is not hard, because the man under the grease paint is many things to many people.

To the public which sees him only in his lighter moments, he is always a laughing prankster who seems to be always on a holiday. To the healthy children who see him on parade, he is a clown, a happy noise maker who likes to make them smile.

To his fellow Mason, he is one of that Lodge who has advanced to the Shrine and has added participation in an organization dedicated to fun, fellowship and philanthropy.

To his family, he is a husband and father who believes that it is the job of each of us to do what we can individually to make this a better and happier world.

To the burned and crippled young ones who occupy Shrine Hospitals, all over the United States, he is the

clown in a funny hat who extends a helping hand in time of trouble, to their parents he is hope in pain and love in suffering.

To himself he is, simply a Shrine Klown, which is many things indeed.

As my second year as director of the Kena Klowns draws to a close Dorlien and I have appreciated the support and cooperation you have given us. We ask that you give as much support and cooperation to the new director and his lady.

The schedule for the rest of the year includes, the Klown annual Xmas party on 12 December election of new unit officers on 14 December and the Temples New Years dance.

* * *

*Parades are made of marching men
With their precision drill
And floats delight both young and old
And flags bring forth a thrill.*

*All kinds of bands in splendid dress
Make patriots stand tall
But, parades without cavorting clowns
Ain't no parades at all.*

Aide Corps

By CHARLES CARLIN, Chief Aide

Here it is November; the time has sure flown by. Bill Florence was in town recently as was Ray Koontz. They both looked well and haven't changed a bit. They told me to be sure and look them up when near their home in Florida.

Our Aide Room sure looks good after dressing it up with the beautiful fezes that Roy Daisey made. It's good to have a man such as Roy, with his gifted talent, to give us that beautiful frame with the fez of Aide, Potentate, and Past Potentate. As it took him over six months to make, his time and effort were invaluable. Thanks Roy, you have always been tops in my book and that goes for the rest of the Aides, I can assure you. All we need now is some new furniture and we will have it made. Thanks once again to Leon for the furniture we have now.

The Octoberfest seemed to be a great success. Twelve of us were there. I'm sorry the rest of you couldn't come as you missed a good time.

Bill Shipman went into the hospital November 9th. I hope everything turns out for the best, and that you recuperate rapidly so that you can enjoy the fun with us.

About Articles for The Kenagram

At this season of the year the Units and Clubs elect new officers and there are many shifts in responsibilities. Among them is the matter of correspondents for Unit, Club and other articles for the Kenagram. In the interest of reportorial accuracy and timely publication of these articles a few rules must be observed. Among them are:

Copy Deadlines: The deadline for receiving copy usually is the first Tuesday of the month, the meeting date of Unit heads. Occasionally, as in the month of January, there is a variation on this deadline. In any event, on the inside of the back cover of each Kenagram there appears a banner carrying the copy deadline for the next issue. It is important to note that copy must be in the editor's hands on that date, not just postmarked if the material is mailed, or dropped in the Kenagram box outside the Recorder's office.

Preparation of Copy: Articles must be typed and double spaced. Hand-written copy cannot be used. Double spacing is required in order to provide space for editorial notes and corrections. The first line of each paragraph should be indented to assure proper continuity.

Length of Articles: You may usually be assured that your entire article will be published if it does not exceed 300 words in length. Longer articles may be used on a space available basis but when cuts are necessary they will be made at the discretion of the editor at press time.

Pictures: Pictures are welcomed but when space problems arise, they may have to be omitted. Black and white pictures are preferred but, depending upon the depth of the color, color prints are often usable. Dark colors are difficult and sometimes impossible to handle.

In General: It is the desire of the staff to be as helpful as possible to all who wish to use the Kenagram for the spread of news about Temple activities and Temple people. But it is not always possible to use all the pictures and materials received. You may be assured that when omissions occur they are not arbitrary but are due to space limits, duplications or other sound reasons.

Antique Car Club

by Bill C. Jordan, President

The year 1982 will soon be history but the memories will linger with us as we continue to progress and grow. It has created a lot of confusion and discontent because of the incorrect meeting date as noted on the calendar in the monthly Kenagram. Our monthly meeting is always the fourth Wednesday of each month.

Our regular meeting night for October was our yearly Halloween Parade in Vienna. The Kena Car Club made a very good showing although there was lack of complete information as to meeting time and place. I will take the blame as due to circumstances beyond my control. I was unable to be at the unit head meeting. That is behind so now is the time to look ahead for brighter future.

I would like to take this opportunity to thank Noble Bill Allen for his tireless effort to be with the Antique Car Club. His car is one to be proud of, but for anyone to get a true picture, you should see the effort that was put into the interior for a really nice car. It is a very good feeling to see that number of cars in a parade and I know the viewers enjoyed it very much. Noble Bill Patton is going to be a regular with his Mercedes he drove in the Parade.

The year is just about history, but we still have a lot of activities that

we can all get together and have a good time before we begin the new year. We had a good showing for the new members at the Fall Ceremonial on November 13th.

We have been very fortunate to enjoy such a beautiful fall and wonderful weather.

Now is the time to think of our Annual Christmas Party and it will be necessary that I contact everyone and set a definite time. Frank and Carol Towsey have come forward with the gathering at their place. Of course, the time is a deciding factor with Carol, and November 21, 28 and December 12 are the days we have to decide upon. Lets all plan to make it a nice affair and I'm sure we will have a good time.

"The Power of a Smile." It costs nothing, but creates much. It enriches those who receive it, without impoverishing those who give it. It happens in a flash, and the memory of it sometimes lasts forever. No one is so rich that he can get along without it, and no one is so poor but that he is richer for its benefits. It creates happiness in the home, fosters goodwill in business, and is the countersign of friends. It is rest to the weary, daylight to the discouraged, sunshine to the sad, and nature's best antidote for trouble. Yet, it cannot be bought, begged, borrowed or stolen, for it is something that is of no earthly good to anyone unless it is given away.

by WILLIAM D. SMITH, Director

The night of October 27 we displayed our new float with the Crippled Children theme in the Vienna Halloween parade. Many favorable comments were received and the applause from the crowd lining the parade route indicated that our efforts had been worthwhile. A large vote of thanks is extended to Clark Whitmer for all the hours he labored on this project, and to all who assisted in the preparations. The next parade is the Manassas Christmas parade on December 4. More work is planned on our parade equipment, and when completed the Staff will present a new look.

Ken Schaeffer and Bruce Dehlin have the Second Section well in hand, and are hoping for a large number of candidates on Ceremonial day. Much work is involved in getting ready for a Ceremonial, the Ritualistic Divan spends hours rehearsing and the Staff in preparing the Hot Sands, together we hope for a large number of candidates and an audience that appreciates our efforts.

The Legion of Honor had an outstanding Octoberfest, the Staff members present really appreciated and enjoyed the festivities. We congratulate Commander Norm Sparks and his committee for an outstanding event. The next activity is the Motor Corp dance on December 4, plan to attend this fine country and western dance. Remember support your fellow Units, they support you.

The Holiday season is rapidly approaching one more time. The Staff's annual Christmas party will be held on December 17 at our room in the Anek. Lady Mary Duhan will chair this event and will be in contact with each one for items needed.

Rusty and I take this opportunity to wish each and every one a very Merry Christmas and much happiness and prosperity in the New Year.

Congratulations are in order to George Scott who was elected 3rd V.P. and to Carl Schott elected Treasurer of SAMMA during our business meeting at Myrtle Beach.

The parades at Sterling Park and Vienna were quite a success with a majority of the members participating. We had an exhibit of six little cars at the Scottish Rite Reunion.

We are especially indebted to Jim & Edna Riley for the social at their home following the Vienna Parade; the refreshments and the food were outstanding, and all enjoyed the fellowship. The Rileys in turn express their thanks to all of you who assisted them in making the evening a success.

The Pres. appreciates the cooperation of those who worked at the Country Store. Your efforts realized a goodly

amount of money for the Temple. He says, "Thanks, guys and gals."

At this writing the "500" plans are complete for assisting in the assembling and painting of playground equipment for retarded children at the Francis Scott Key School; for participating in the Fall Ceremonial; and for the Leesburg, Centreville and Manassas Parades.

Among many other projects the Ladies are working on beaded chandeliers and Christmas decorations. The refreshments the ladies prepared for our visit to Bartow and parade at the Elkins W. Va. Forest Festival made the week end one of our most enjoyable trips. Thank you, Ladies. Your support of our Unit is outstanding. To all Nobles, neighbors, and friends:

Beginning the second week in December Kena 500 will be selling.....

Perhaps by this time most of us are off our "high" brought about by our success at Mid-Atlantic and Myrtle Beach. It was (and is) truly a great feeling and should give us a greater determination than ever to win both Mid-Atlantic and SASA next year.

The participation in the parades at Sterling Park, Herndon and Vienna was excellent. For once I don't have anything out of the ordinary to report concerning these particular parades. The only explanation I am able to offer is that Tut must have ridden a borrowed motor, R.B. doesn't need his training wheels any more and Doris is able to recognize Mike with his uniform on.

Recently several of our members rode to Harrisburg, Pennsylvania (thanks to Mike and his Lady Doris) to visit the Zembo Temple. We enjoyed a great breakfast of hot cakes and sausage. Tut was present and so was his trusty motor. True to form, his motor started to disintegrate almost immediately. First the saddlebag cover and eventually the top half of the windshield. As Anna May was also on this trip we could not help but wonder if perhaps Tut had sabotaged his own motor. We're all pulling for you Tut. You should have a new motor.

I would also like to dispell a rumor concerning my own activity during this trip. I continue to hear such remarks as "keep the gold side up". It is true that my motor did come in contact with the ground (and so did Dee) in a certain gravel parking lot, but I didn't drop it. It just so happens that Dee was driving from the back seat and it was difficult for her to see over my shoulder and consequently she hit a rock (and if you believe that, perhaps I could sell you the Golden Gate Bridge).

Don't forget our X-mas dance on December 4 and the Manassas parade. Happy motoring also *Happy Holidays*.

This wraps up 1982. Your Shrine Band has enjoyed a busy year playing for our many in-house functions, for the many retiree homes in the local area; for the kids at Camp Tapa-vingo, for the many masonic bodies for whom we've provided music during the year, and the several parades in which our Temple participated. We will have played for our Fall Ceremonial by the time this goes to press and your copy reaches you.

In behalf of all the Bandsmen and myself, I wish to extend a very Merry Christmas and a Happy New Year to our Illustrious Potentate, Noble Russell J. Werle, our divan, all members of Kena Temple and their Ladies, and to all of our devoted readers of this column.

The Band also wishes to thank the Band Ladies for their pot luck suppers over the year and their valuable aid in helping to make our annual fund raiser, the "Roarin' 20's" a great success. And lastly-but not the least-bouquets of gratitude to our Conductor, Elmer G. (Skinny) Morris and his back-ups, Nobles Rex Hinshaw and Gus Vitt. Before the year runs out, we hope to have a Christmas party for our Band and their Ladies.

If you take to the road during the Christmas season, please be especially careful while on the highways. We want all of you back safe and sound to help launch another successful band year in 1983.

Ye Tired Olde Scribe, Noble T.J., asked me to extend his most sincere gratitude to all of you Bandsmen and your families, and to the entire Masonic fraternity in general for the many flowers, condolences, cards and words of comfort and hope he received from his many masonic friends during his recent bereavement over the loss of his Lady "Jimmy". He hopes to resume writing this column again in the near future.

At trail-end on Friday night Ladies Lil Sanger and Dot Fraley provided chili, and Evelyn Evans provided desert for all. The October 9, 10, and 11 campout was attended by Baumbachs, Burris, Evans, Fraleys, Grindles, Halleys, Jacksons, Johnsons, Kemps, Sangers and Seelys.

Saturday morning a Motor Coach became a bus to transport most of the campers to Bussards Point Marina. We boarded the "Captain Thomas" ship for Tangier Island, Virginia. Upon arrival we walked the quarter mile to the Chesapeake House restaurant where we were served a family style lunch. After lunch there was about an hour and a half of free time, some took the local "taxi" for a scenic and descriptive tour of the island, then went to some of the shops to purchase souvenirs. The Chesapeake Bay was on its best behavior for the trip over and return. Back at the campground Noble Bob Grindle and Lady Sally hosted cocktails and Hors'd'Oeuvres to christen their new Bluebird coach. A few hearty people then eat hot-dogs, hamburgers, lasagna, bean salad and desserts. And after all had supposedly gone to bed the T.P. Phantom struck again, the Grindles new coach being the recipient.

Sunday morning we enjoyed singing by Ladies Evelyn Evans and Ruth Jackson and Noble Mike Seely. This was followed by a brief and enlightening devotional service by Noble Ray Evans. When we broke camp seven units caravaned to Fredericksburg for lunch at Morrisons Cafeteria.

Our annual officer election campout was at the Safari Campground near Stafford, Virginia on November 19, 20 and 21.
